Expo attendees learned how to "Build Employee Loyalty Through a Caring Environment" at the 2011 Frame Building Expo. The 2012 educational program offers 25 hours of industry tracks on construction practices, sales/marketing, and management/leadership/operations. [Learn more](#) and look out for special features and highlights on the education program in upcoming issues of Expo Express.

We value your feedback. What conference news would you like to learn about in future Expo Express issues? Email nfba@nfba.org.

For more than 40 years, the National Frame Building Association (NFBA) has represented the interests of builders, manufacturers, suppliers, distributors, and code and design professionals serving the U.S. post-frame construction industry.

The association is the nation's primary source of post-frame building resources, education, research and development, news, and marketing. NFBA hosts the annual Frame Building Expo, the nation's largest networking event for post-frame construction professionals. Not a member? Learn more at www.nfba.org and [join today](#).

See you in St. Louis!
