Jobdescr	<p>Vap Construction is a regional leader for post frame buildings and residential construction, and our team is growing! We are looking for driven professionals to join our spray foam division, either as a certified applicator or an apprentice with paid training and certification available. Successful candidates will have a strong work ethic and a proven track record of working well with others. This division of our family-owned company will split their time between local projects and other regional projects throughout Kansas, Nebraska, Colorado, and Wyoming so candidates should be willing to travel. Applicants should know how to use construction tools and need to have a valid driver's license. These positions are full time, hourly careers with opportunities for advancement. Duties will also include installing seamless guttering.</p> <p>Our company is based in beautiful Atwood, Kansas, and applicants should live in the area or be willing to relocate after being hired. A signing incentive is negotiable for those relocating. Atwood is a quiet but active community with beautiful rolling hills and a scenic landscape. Great schools, access to quality healthcare, and safe neighborhoods are among the many reasons our employees enjoy building a life here. EOE.</p>
